"Old Boys Weekend is three little words , and we use it to describe a single event. But true homecoming requires more time. It seems to be a process rather than a moment. Perhaps we come home the way the earth comes home to the sun. It could be that homecoming is always a return and our understanding of MCKK and brotherhood deepens with each encounter."

As truth be told

OBW homecoming never gets old,
though this year OBW is 90 years old.
